

EMPLOYEE BENEFIT SCHEMES POLICY

1 Overview

CoreOps.AI is committed to providing a comprehensive benefits package to support the well-being, financial security, and professional growth of its employees. This policy outlines the key benefits available to employees to enhance work-life balance and long-term stability.

2 Scope

This policy applies to all full-time employees of CoreOps.AI. Specific benefits may vary based on employment status, role, and tenure.

3 Policy

3.1 Health & Wellness

- Group Medical Insurance: Coverage for employees and eligible dependents (spouse, and children) through Niva Bupa Insurance company.
- Accidental & Life Insurance: Financial protection in case of accidental death or disability.
- Annual Health Check-ups: Preventive health screenings for employees.
- Employee State Insurance (ESIC): Mandatory health insurance for employees earning below the ESIC wage limit, covering medical expenses, maternity, and disability benefits.

3.2 Retirement & Financial Security

- Provident Fund (PF): Employer and employee contributions to the Employee Provident Fund (EPF) as per statutory requirements.
- Gratuity: A lump sum benefit for employees who complete five or more years of continuous service.
- National Pension Scheme (NPS): Optional retirement savings scheme with tax benefits, available to employees who wish to participate.

3.3 Leave & Work-Life Balance

- Paid Time Off: Earned, sick, festival and casual leave as per company policy.
- Maternity Leave: Paid leave for eligible employees in compliance with legal requirements.
