

OCCUPATIONAL HEALTH AND SAFETY POLICY

1. Introduction CoreOps.AI is committed to ensuring the health, safety, and well-being of all employees, contractors, and visitors. This Occupational Health and Safety (OHS) Policy outlines our commitment to maintaining a safe and healthy work environment in compliance with all relevant laws and regulations.

2. Policy Statement At CoreOps.AI, we believe that workplace safety is a fundamental aspect of our operations. We strive to create an environment where risks are identified, managed, and mitigated effectively. Our goal is to prevent workplace injuries, illnesses, and accidents through proactive measures and continuous improvement.

3. Responsibilities

Management: Responsible for establishing and maintaining OHS standards, ensuring compliance with legal requirements, and promoting a safety-first culture.

- **Employees:** Expected to adhere to all safety procedures, report hazards, and participate in safety training programs.
- **Contractors and Visitors:** Required to follow all safety guidelines while on CoreOps.AI premises.

4. Key Safety Measures

- **Risk Assessment & Hazard Identification:** Regular assessments to identify and mitigate risks.
- **Training & Awareness:** Periodic safety training for employees and contractors.
- **Emergency Preparedness:** Clear emergency response plans, fire drills, and first-aid readiness.
- **Incident Reporting:** A structured system for reporting and investigating incidents.
- **Health & Well-being Initiatives:** Programs to promote mental and physical well-being of employees.

5. Compliance & Continuous Improvement CoreOps.AI is committed to complying with all applicable health and safety regulations and continuously improving our OHS practices. We encourage employee participation in safety initiatives and feedback to enhance our policies.

6. Review & Updates This policy will be reviewed annually to ensure its relevance and effectiveness. Updates will be made as necessary to align with legal and organizational changes.

The safety of our employees is a top priority at CoreOps.AI. Through collective responsibility and a proactive approach, we aim to maintain a safe and healthy work environment for all.
